Continue

Widely recognized as the country's premier financial center, almost half of the country's Gross Domestic Product comes from the business sectors located in Makati. This is why most Filipinos have a high and positive impression of the people living here. Makati is also the location of some of the Philippines' finest schools, entertainment venues, museums, historical churches, and medical facilities. All these add to its prestige and reputation while increasing the demand for a house and lot for rent in Makati. You can find a house and lot for rent in Makati, Metro Manila in its numerous exclusive residential villages that are within range from key districts, yet distant enough for one to take a break from fast-paced settings. The city's barangays are also close to the central business districts and offer more affordable options. Barangay San Antonio, for instance, has fully-furnished three-bedroom houses for rent, costing around PHP 55,000 monthly. The Busiest City in the Philippines When it comes to cosmopolitan places, no other area in the Philippines can quite match the pace of Makati City. Widely recognized as the country's premier financial center, almost half of the country's Gross Domestic Product comes from the business sectors located in the city. This is why most Filipinos have a high and positive impression of the people living here. The city is home to many multinational companies and Business Process Outsourcing firms, such as Thomson Reuters, Petron Philippines, Shell Philippines, and Toyota Motor Corporation. The main trading floor of the Philippine Stock Exchange is also located here, as well as the headquarters of some of the largest banks and telecommunication powerhouses in the country. However, the city is not all business. Practically everything is available here. Makati is also the location of some of the Philippines' finest schools, entertainment venues, museums, historical churches, and medical facilities. All these add to its prestige and reputation while increasing the demand for a house and lot for rent in Makati, Metro Manila. Enjoy Living in a Concrete Jungle While Makati is host to more than half a million people, the city remains one of the most livable places in the country. It may be a concrete jungle with so many things going on, yet it has great places where one can retreat and slow things down. It comes as no surprise then why so many people who cannot yet afford to buy, since prices in this city are quite high, often go for a house and lot for rent in Makati, Metro Manila. Residents need not go elsewhere in Metro Manila. Four of the biggest shopping malls in the Philippines and countless retail establishments are situated here. The flagship stores of exclusive brands, such as Louis Vuitton, Hermès, and Tods are located in this city. One will also not be disappointed in the number of good places to wine and dine in. House for Rent: Makati and Its Many Subdivisions You can find a house and lot for rent in Makati, Metro Manila in one of its numerous exclusive residential villages that are within range from key districts, yet distant enough for one to take a break from fast-paced settings. Those who want to live close to Ayala Center can rent a house in the following gated communities: Dasmariñas Forbes Park Urdaneta San Lorenzo Bel-Air Magallanes The city's barangays are also close to the central business districts and offer more affordable options. The most popular ones are as follows: Because buying a home might be too heavy on one's finances, a house and lot for rent in Makati, Metro Manila has become a more popular choice. In Barangay San Antonio, for instance, there are fully-furnished three-bedroom rental homes costing around PHP 55,000 monthly. A few minutes away from corporate offices, the Salcedo Sunday Market, and Ayala Triangle Gardens, these units are well worth the price for the convenience they offer. Meanwhile, Dasmariñas Village has elegant rental houses suitable for those wanting to live luxuriously without making a big-ticket purchase. Many of these units are equipped with leisure amenities like a swimming pool, garden, lanai, and cabana. Rent prices usually range from PHP 160,000 to PHP 900,000 monthly. Similar to how almost everything is available in Makati, the selection of houses here is just as comprehensive. As such, one will be hard-pressed not to find a house and lot for rent in Makati, Metro Manila. Living here means being at the heart of the capital where culture, commerce, and education seamlessly meet. How to Get to Makati Commuters often ride a train at MRT Line 3 to reach Makati City. This line has four stations that can bring passengers to Makati: Guadalupe, Buendia, Ayala, and Magallanes. For those coming from nearby cities like Mandaluyong and Taguig, booking a car or motorcycle ride is a quick and convenient way to get to Makati. Pasig residents also enjoy proximity to Makati, with major roads like Kalayaan Avenue, Elisco Road, and Ortigas Avenue linking the two cities. The four-lane BGC-Ortigas Link Bridge also connects Ortigas, Pasig to Makati and Taguig, reducing the usual one-hour travel time to a little over ten minutes. FAQs Are there houses for rent in Legaspi Village, Makati? Yes. You can lease a fully furnished, two-bedroom house in the village for PHP 120,000 monthly. Are there houses for rent in Bel-Air, Makati? Yes. If you plan to rent in Bel-Air, there are over 280 houses available with rental fees ranging from PHP 110,000 to PHP 500,000 a month. Are there houses for rent in Makati, Metro Manila below PHP 100,000 a month? Yes. You can find rental homes in Makati priced below Php 100,000 a month. They are usually unfurnished or semi-furnished, with at least two bedrooms. Makati City is the country's premier business district housing both commercial and real estate industries and the forerunner in leading the country's economic powerhouse. As such, Makati is a desirable place to live, but also one of the most expensive. As more and more business and corporate offices have sprung up in the district, the demand for an affordable room for rent in Makati tailored to employees' needs has also increased. San Antonio is one of the best places to live in Makati due to its proximity to the Makati CBD in Ayala and the business streets of Salcedo and Legaspi Villages. An affordable room for rent in San Antonio, Makati on average costs Php 4,500 to Php 6,000. The good thing about Makati is that the easiest and most affordable way you can reach it is via train. You can ride MRT-3 and alight at either Guadalupe, Buendia, Ayala, or Magallanes stations to get to the specific part of Makati you want to reach. Makati City is the country's premier business district housing both commercial and real estate industries and the forerunner in leading the country's economic powerhouse. As such, Makati is a desirable place to live, but also one of the most expensive. For those on a tight budget, there are plenty of affordable alternatives for housing in the city, such as a room for rent in Makati. Much of the city's robust economic growth has focused on the commercial and residential sectors, with numerous convenience stores, restaurants, and amusement places found at the heart of Makati's economic structure. The Central Business District alone, owned by the Ayala family, is home to the top 1,000 corporations in the country, providing countless employment opportunities and boosting the city's real estate industry. How to Get to Makati The good thing about Makati is that the easiest and most affordable way you can reach it is via train. You can ride MRT-3 and alight at either Guadalupe, Buendia, Ayala, or Magallanes stations to get to the specific part of Makati you want to reach. Regular buses from the north and south of Metro Manila also pass by Makati. Make sure to ride a bus with an Ayala LRT signage if you want to travel through Ayala Avenue or other known streets inside the city. You can also ride the Premium P2P bus service with pick-up and drop-off terminals in the major malls in the city such as Greenbelt and Glorietta. An influx of Renters in the City Makati's primary goal is to provide its residents more employment opportunities in the form of several employment assistance programs provided by the city, such as job fairs, government internship programs, and employment to students, senior citizens, and persons with disabilities. The increasing number of investors seeking business opportunities in Makati's CBD can also account for the surplus of workers flocking to the city. As more and more business and corporate offices have sprung up in the district, the demand for an affordable room for rent in Makati tailored to employees' needs has also increased. Supply vs Demand The neighboring barangays surrounding Makati's Central Business District are the prospects for future land developments which will cater to the growing influx of city employees who will definitely look for a conveniently located room for rent in Makati close to their workplaces. Thus, a great number of Makati's residential homes have started to offer bed space and lodging opportunities to employees. Where Rooms for Rent in Makati Are Found If you are looking for a room for rent in Makati, location is important. An ideal location is a place close to work and other essential landmarks and establishments such as hospitals, malls, and restaurants. Here are some locations in Makati where you can find ideal rental rooms: San Antonio is one of the best places to live in Makati due to its proximity to the Makati CBD in Ayala and the business streets of Salcedo and Legaspi Villages. This barangay is commute-friendly. Tricycles and jeepneys are transportation options available. An affordable room for rent in San Antonio, Makati on average costs Php 4,500 to Php 6,000. Next to Makati CBD, Poblacion is the place for you. Renting a room here costs around PHP 9,500 to PHP 60,000. Although Bel-Air is near Makati CBD, living here is pleasurable thanks to the many hip and trendy restaurants and bars it houses. Whether you're craving local or international cuisine, there's a restaurant that can suit the cravings of your taste buds in Barangay Bel-Air. You can rent a modest room in this barangay for Php 9,000. Salcedo Village is famous for its Salcedo Saturday Market and Art in the Park fair at St. Jaime C. Velasquez Park. This barangay is surrounded by tall buildings and trees which gives it a more secluded and tranquil environment although part of a hustling and bustling city. This barangay is home to professionals, families, and artists. An affordable room in this barangay costs about Php 8,400 a month. Makati City Rental Costs The increase of high-end properties for sale and for rent in Makati is proof that the country's level of income is also increasing. Though the district promotes a cosmopolitan lifestyle, various real estate projects offer several opportunities for residents of all economic classes as part of the city's effort to include its residential communities outside the CBD in the growth of commercialization and urbanization. These neighboring communities offer renting opportunities to lower-middle-income residents with prices depending on the amenities offered, the condition of the building, as well as proximity to the CBD. A large portion of Makati's CBD renters is composed of expatriates and young professionals. A studio-type room for rent in Makati is the most popular type of property available in the neighborhood. There is also a rising number of expatriates who prefer fully-furnished apartments and condo units for rent. Renting A Room vs Renting A Condo or Apartment For unmarried individuals and young professionals, it is more cost-efficient to stay in a room for rent in Makati that is situated near the CBD. There are also condominiums and apartments offered to suit the living preferences of an average employee. There are several factors to consider when it comes to renting condominium units or apartments, such as the yearly increase in rates, utility payments, and payment of association dues. For those staying in a room for rent in Makati, one disadvantage is sharing the common areas at home with other renters or the landlord and his/her family. These areas often include the comfort room, kitchen, and living room. Some landlords also have a curfew, which can be a bit of a hassle when working overtime and coming home late in the evening. On the one hand, the advantages of a room for rent in Makati in communities that offer bed spacing and lodging services include being able to save more on transport expenses and having several options when it comes to laundry services and small restaurants Is there a bedspace for rent in the Makati area below 5k? Yes, there are available bedspaces for rent in Makati below PHP 5,000. Check out some of the available listings by clicking the link. Are there available bedspaces for rent near the Makati area? If you want to opt for a more affordable bedspaces instead of room rental, there are available bedspaces near Makati. Is there a room for rent near Makati? Of course, Makati is a pretty popular city alongside the other cities within Metro Manila. There are several rooms for rent near Makati that you can check out. { "@context": " ", "@type": "FAQPage", "mainEntity": [{ "@type": "Question", "name": "Is there a bedspace for rent in Makati area below 5k?", "acceptedAnswer": { "@type": "Answer", "text": "Yes, there are available bedspaces for rent in Makati below PHP 5,000.
